## BRIEF SUMMARY

---

I am Erik Christian with a great and deep passion for B.Tech. CSE students who want to pursue a career in Software development. I am willing to contribute to a team environment using my programming skills and knowledge base.

## EDUCATION

---

Parul University	Vadodara, Gujarat
B.Tech Computer Science and Engineering	Expected Graduation Date (2025)

Parth Institute	Vadodara, Gujarat
HSC (Gujarat Board) – 76 %	(2021)

Ambe Vidhyalaya	Vadodara, Gujarat
SSC (Gujarat Board) – 82%	(2019)

## PROJECT

---

### Product Purchaser UI

- Product Purchaser reimagines the e-commerce experience with a mobile app UI designed for intuitive navigation and effortless purchase.
- Visually driven product discovery: High-resolution images, concise descriptions, and interactive 360° views bring products to life, boosting click-through rates and reducing search fatigue.
- Personalized product recommendations: Powered by AI and user data, the app suggests relevant items based on past purchases and browsing behaviour, increasing conversion potential.
- Frictionless checkout: Streamlined checkout flow with minimized steps and secure payment options ensure a quick and painless purchase experience, minimizing cart abandonment.

### Portfolio

- Developed a dynamic and responsive personal portfolio using React.js and Tailwind CSS.
- Showcased projects, skills, and experiences with a sleek, modern design.
- Integrated interactive features to enhance user engagement and provide a seamless browsing experience.
- Focused on clean, maintainable code and optimized for performance across all devices.

### Chat App UI

- Designed an intuitive and user-friendly Chat App UI using Figma.
- Focused on modern design principles to create a visually appealing and cohesive interface.
- Integrated interactive elements and animations to enhance user experience and engagement.
- Ensured responsive design to provide seamless functionality across different devices.

## CERTIFICATIONS

---

- 1) Course : Software Engineering  
Organization: NPTEL
- 2) Course : Data Analytics with Python  
Organization: NPTEL

## LEADERSHIP EXPERIENCE
